

QUALITY POLICY

S**afety:** we deliver equipment that provide accurate and repeatable results

A**ttractiveness:** we provide worldwide high-end IVD solutions

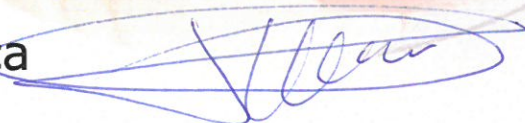

L**egal compliance:** we comply with regulatory and legal requirements

E**ffectiveness:** we efficiently use our resources to deliver products that are competitive on the market

S**atisfaction:** we are proud fulfilling customers' expectations

In order to fulfil our mission, we are committed to maintain and improve our quality management system and satisfy applicable requirements. All employees and associates are motivated to understand and implement this policy.
