**Myt-CAL and Myt-CAL VET – suspension of sales
Control blood – delivery delay**

Dear Valuable Customer,

We would like to inform that Orphée SA took decision about temporary suspension **Myt-CAL (Cat. No MYTCAL2)** and **Myt-CAL VET (Cat. No MYTCAL2-VET)** sales and delivery.

We also inform, that due to quality problem with calibrators, there will incur a delay in the release of control blood to the market.

Affected products are listed in a table below:

Name	Cat. No	Lot number	Status
Myt-CAL	MYTCAL2	PLUS0224	suspended
Myt-3D	MYT301 MYT302 MYT304N MYT306N	B0224	delayed
Myt-5D	MYT502 MYT506N	MYT2402	delayed
Myt-CAL VET	MYTCAL2-VET	PLUS0224	suspended
Myt-3D VET	MYT303-VET	B0224	delayed

Suspension will continue until further notice. We will make every effort to provide delayed products as soon as possible. We will keep You updated if any changes occur.
We apologize for any inconvenience!
